Why do you want to participate in the Youth Leadership Program and what are you expecting to learn?

What are you passionate about?

Tell us two things that make you unique?

Are you involved in any extracurricular activities in school and/or afterschool? If so, what are they?

Tell us about a person who you believe exemplifies the true meaning of a leader. How has their leadership affected you?

Our mission is to equip & empower generations through Christ and to help people take their next steps towards Christ together. We believe that apart from God we are unable to make a lasting impact; therefore, all that we do in and through The Center is based on His Word, which we hold to be infallible, prayerful, and Christ-centered.
